COVID-19 (Coronavirus) Information

The health and safety of our residents and employees is our top priority. **At this time, Heritage Community does not have any reported cases of COVID-19 within our community.**

Senior citizens specifically have a serious health risk to COVID-19 (Coronavirus). Because of this risk, we are discouraging and limiting visitors at all our communities. Visitors will not be allowed access except under extenuating or emergent circumstances.

Please take a moment to review the key information and steps Heritage Community is taking.

- Heritage Community does not have any residents or employees exhibiting COVID-19 symptoms at this time.
- We will continue to follow recommended guidance from the CDC (Centers for Disease Control), CMS (Centers for Medicare and Medicaid Services), and MDHHS (Michigan Department of Health and Human Services).
- We are dedicated to communicating with residents, families, visitors, and staff. Latest updates will be posted on our Facebook page.
- A screening process is in place for necessary service vendors.
- We are dedicated to adapting our practices and promoting awareness as this pandemic continues to develop.
- Signs and symptoms of COVID-19 include: Fever, Cough, Shortness of Breath or Sore Throat
- A reminder to:
 1. Avoid close contact with people who are sick.
 2. Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
 3. Avoid touching your eyes, nose, and mouth.
 4. Clean and disinfect frequently touched objects and surfaces.
 5. Stay home when you are sick, except to get medical care.
 6. Wash your hands often with soap and water for at least 20 seconds.

Thank you for your support of Heritage Community and our high standards in care. Please do not hesitate to connect with us with any questions.
